This year's conference promises to be one of our best yet! Building on our theme *CHOOSING OUR JOURNEY*, the conference will give you a chance to enjoy...

- Interesting workshops about all different kinds of life choices and journeys
- A variety of different resource tables to explore and learn from
- Friendly environment to socialize and meet new people

Our Keynote Speaker:

Kandice Jones describes herself as a very determined, goal-oriented, and outgoing person. Being a part of disability rights movements helped her realize that she can make a difference and that

disabilities don't have to define us. Kandice works to help others believe in themselves and is inspired by this quote: "the greatest good you can do for another is not to share your riches but reveal to them their own" - Benjamin Disreali
